The Jury members wish to thank all the people who nominated a volunteer for the Haut-Saint-Laurent Volunteer Recognition Gala.

The different categories showcased at the Gala; Community Organisations; Municipalities; Institutions; Families; Corporations; and Youth, allow us to note that volunteer engagement is found throughout the social spheres of your community.

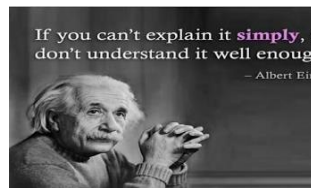

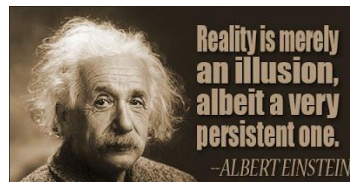

We all win by living in a better world thanks to you and we congratulate you all for your nomination.

It was with great pleasure that the Jury awarded the "Vision-Bénévolat 2017 Recognition Award" to **Mrs. Mary Shewchuk** for her incredible devotion in developing services where there were none. Thanks to her intensity, her generosity and her determination, Mary Shewchuk gave life to **Melissa's Sunshine Camp**.

The Montérégie West Community Network and the Chateauguay Civitan Club held an amazing event at the Chateauguay Civitan Club, April 8th in honour of the **100th anniversary of Vimy Ridge**.

It was a great day and I feel very proud that we were given this opportunity to put our skills and partnerships to work.

I thank everyone who was involved. I especially want to thank all the volunteers from the Chateauguay Civitan Club, the MWCN members, NFSB students and teacher Katrina Rane Smith, and Community members. It was truly an opportunity to honour a very special event in Canadian History and to share family memories of those who gave the ultimate price for our freedom and the privilege of living the quality of life that we have in Canada today.

A great big thank you to our sponsors Brenda Shanahan, MP for publicity, the City of Chateauguay and Philippe Moreau, MNA's office contribution for volunteer implication.
