THE SAFE USE OF MEDICATION – By Senior Action Quebec in partnership with the Canadian Deprescribing Network

90-minute webinar including a question period. Is this medication the right one for me? The topics that will be covered are: 1) explain why aging makes us more sensitive to the effects of medication; 2) identify situations in which the risks of harmful effects of medication outweigh the potential benefits; and 3) describe the steps patients, caregivers and healthcare professionals can take together to prevent harmful medication effects.

This provincial webinar will be held on Tuesday, September 22 from 9:30 to 11:00 a.m.

The deadline to register is September 14, 2020. Please contact Ruth Pelletier by email: ruthkathleenpelletier@gmail.com. Once you have registered you will be provided with a link and code to join the workshop.
