

JOB FAIRS

In line with MWCN's goal of fostering a vibrant English-speaking community by bringing together individuals, community groups, public organizations, professionals, and businesses, we were thrilled to successfully launch the inaugural MWCN Job Fair in March 2024.

We hosted our first 2 job fairs in the MRCs of Haut-Saint-Laurent (Huntingdon) and Les-Jardins-de-Napierville (Hemmingford) with the theme "Your Road to Success."

These events brought together local employers and employability partners to meet the community's needs for job opportunities in the upcoming spring and summer seasons, both short and long term.

This job fair will remain an important event in our annual employability calendar.

SHARING INFORMATION ON REGIONAL EMPLOYMENT SERVICES AND RESOURCES

Part of the MWCN Employability mission involves effectively informing our community about the employment services and resources accessible in their region. This is carried out through diverse platforms like social media, regional fairs, and community events to ensure widespread information distribution, including:

- Organizing networking events in English to connect job seekers, employers, and service providers.
- Hosting employment skill fairs tailored for English speakers.
- Facilitating peer support groups in English.
- Conducting workshops or information sessions with regional employment services.

MWCN

PROVIDING CUSTOMIZED AND SUPPLEMENTARY SUPPORT SERVICES

At MWCN, we are committed to providing unwavering support and guidance to ensure that every individual has the opportunity to thrive and succeed in their chosen path.

Our goal is to enhance the experience and success of English-speaking individuals seeking employment through local services by providing tailored support, such as:

- **Support with forms:** completing an employment service request to either Services Québec or a regional employment service provider.
- **Interpreter services:** take on the role of interpreter for a telephone, virtual or face-to-face appointment with an employment service.
- **Translation services:** translate, from English to French, a document related to the job search (e.g.: résumé, cover letter, thank-you letter, job application form, letter of recommendation, letter confirming previous employment).

FACILITATING ACCESS TO APPROPRIATE EMPLOYABILITY SUPPORT

By establishing partnerships with regional employment services, we can create a more accessible support system for English speakers seeking employment. These partnerships will facilitate efficient referrals to various services, making the job search process more streamlined and effective. By working together with these organizations, we can provide a network of resources and opportunities for individuals looking to enter or re-enter the workforce. This collaborative effort will not only benefit job seekers but also contribute to the overall economic growth and prosperity of our community.
